

NATURAL WATER OF VITI LTD
1 NASEYANI ROAD
YAQARA
RA.

28TH JUNE 2012

TO WHOM IT MAY CONCERN

Dear Sir/Madam,

This is to inform you that Natural Waters Of Viti Ltd, bottlers of flat mineral water, based at Yaqara, have been using the services of B & M Patel Hardware Ltd, extensively for the last four years as a vendor for the supply of most of our facility related item, related to potable and recycled water circuits. This includes pumps of various sizes, piping, pipe fittings, filter cartridges & housing, UV lights etc.

B & M Patel Hardware have also been used by our organization Facility Department, for technical services, related to:

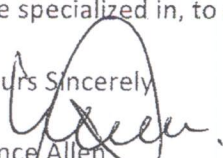

- 1) The calculations of required pump rates, including recommended flow rates, pumping head and pump pressures.
- 2) Calculation of recommended UV light sanitizers for our recycled water systems
- 3) Calculations of recommended filtration system sizes for our recycled water and laundry services.
- 4) Recommendations on most appropriate water systems fittings to be used with different applications.

We have found B & M Patel Hardware Ltd to be a trust worthy vendor to Natural Waters Of Viti Ltd and a willing partner to engage in whatever technical assistance is required to improve our services.

B & M Patel Hardware Ltd, has willingly stepped in to provide information on latest innovation in the field they are specialized in.

I will not hesitate to recommend B & M Patel Hardware Ltd, as a vendor, in the field that they are specialized in, to any other organization who will require services of that specialty.

Yours Sincerely

Lance Allen

Facility Manager

Castaway Island, Fiji
Mamanuca Islands

To Whom It May Concern:

Dear Sir/Madam,

This is to confirm that Castaway Island, Fiji has been dealing with B & M Patel (Hardware) Ltd , since 1996 to date .

B & M Patel Ltd has been the sole provider of Davey products ranging from sump pumps, irrigation pumps, filtration pumps, swimming pool pumps & hardware products. Suffice to say that all our pumps on Castaway are Davey pumps. They also provide a wide range of back up spare parts. At various times they have also undertaken installation projects for the Resort.

We have found the services of B & M Patel to be professional and of high standard. We would recommend their services without hesitation.

Sincerely

Eric Thomas
Chief Engineer
